Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

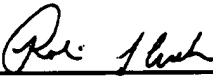

Applicants' representative today had contacted a person in the Licensing and Review Branch of the U.S. Patent and Trademark Office, and informed them that applicants have received two letters from the U.S. Patent and Trademark Office, dated February 29, 2000 and May 9, 2000, requiring compliance with the Atomic Energy Act. Applicants' representative further advised, that they had timely responded to the initial letter for which a response was due on April 14, 2000. Based thereon, applicants' representative was requested to resubmit a copy of the statement via facsimile along with a copy of the postcard. Moreover, applicants were advised that it would not be then necessary to respond to the May 9, 2000 letter, upon proof of the earlier submission.
